0% Interest with Solid People's FLEXIPAY

Should you wish to take advantage of the zero-interest payment plan, 50% would be payable at the point of purchase. The remaining balance is paid in equal installments via direct debit over the remaining term. For more information please visit [FLEXIPAY from Solid People](#).

Technical support & upgrades

The above pricing includes technical support and future SOLIDWORKS upgrades whilst your term license is active. You will have a direct phoneline into our experienced technical team.

Specialist SOLIDWORKS recruitment agency

If you are a growing company, we can help build your SOLIDWORKS design team. Solid People have been helping companies hire SOLIDWORKS professionals for over a decade. By purchasing SOLIDWORKS through Solid People we can support your business with the provision of SOLIDWORKS, technical support, training and people. For more information on our recruitment services, please visit [SOLIDWORKS recruitment](#).

Win more work – SOLIDWORKS for contractors

In our experience, contractors and consultants benefit from having their own SOLIDWORKS license, so they can get going on projects quickly and work remotely too. You could win more contracts with your own SOLIDWORKS term license through Solid People. As a SOLIDWORKS recruitment agency we'll then be able to help you find more contract work.
